Sheet 2: Opportunities & Barriers and Action Plan

Stochastic Parrots and Beyond · front: Opportunities & Barriers · back: Action Plan

Use the front in Panarchy Block 1 (part A) and Block 2 (part B). An **opportunity** is a place where a change at one level can unlock a change at another level. A **barrier** is a place where one level blocks another. Note the level of each. The sheet belongs to you. The instructors do not collect it.
